1 **AN ACT** *to create* 118.55 (5) (c) 3. of the statutes; **relating to:** limiting school
2 board payment for courses taken under the youth options program.

Analysis by the Legislative Reference Bureau

Under current law, a pupil enrolled in a public school in the 11th or 12th grade may attend an institution of higher education for one or more courses under the youth options program. The school board of the district in which the pupil is enrolled is responsible for paying the cost of tuition, fees, and books for the pupil under certain circumstances.

This bill provides that the payment for a pupil attending a private college may not exceed the amount that would be charged if the pupil were attending an institution within the University of Wisconsin System.

For further information see the *state and local* fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

3 **SECTION 1.** 118.55 (5) (c) 3. of the statutes is created to read:
4 118.55 (5) (c) 3. The amount specified under par. (a) that would be charged if
